

Columbia Light Six and Elite Models for 1923

THREE new body types, a two-passenger coupe, a special sport phaeton and a sport roadster are included in the light six line and the phaeton and sedan on the same chassis have been refined. The Elite models remain as before with minor refinements. In the above illustration, 1 is the Elite sedan, \$1,995. 2—Light six sport roadster, \$995. 3—Special sport phaeton, \$1,395. 4—Light six phaeton, \$1,095. 5—Light six two-passenger coupe, \$1,235. 6—Elite coupe, \$1,925. 7—Light six sedan, \$1,395. 8—Light six phaeton, \$985. In the light six line the phaeton has been made slightly larger and the sedan is set lower in the chassis. A cowl ventilator and parking lamp have been added. The coupe is finished in blue with black hood and fenders. The sport roadster is of the racy type finished in red. It has a sloping rear deck with flush spare tires. The Columbia chassis specifications remain unchanged.
